## THIS ALBUM REPRESENTS A PERIOD OF OVER 15 YEARS OF ALL MIGHTY SENATORS,

a mainstay in the festival and club circuit. This compilation spans the first 7" single "TNRS" (1988) through the first five albums prior to *Music Is Big Business* (2003). Also included is live material recorded at the Wiltern Theater in Los Angeles while on tour with the Pretenders in 2003 and a previously unreleased tune called "Checkered Past". Packaged in Digi-Pak format.

*"By linking bits of Funk, Metal, R&B, Blues Boogie, acoustic instrumentation, and even Frank Zappa-isms, All Mighty Senators toss out a sassy, temperamental musical whole that is nothing short of beguiling."* – BILLBOARD

*"[Landis Expandis] calls the funky guitar and horn-heavy music he makes 'rock & soul,' and it's designed to empower the inner superhero in us all. Oh, and to make you dance. Expandis and his cohorts succeed admirably."* – THE NEW YORKER

**PROMOTIONAL TOURS:** Commercial, public, college programs serviced nationwide. Tours supported by airplay, print/radio interviews, and local newspaper features. Tours slated for US.

**NATIONAL ADVERTISING PLANS:** The band has toured nationally with the Pretenders. They have just completed a 2 month national tour with Busta Rhymes and Miri Ben-Ari.
